Dear [Name]:

We have reviewed the final revisions to the [State Name] regulations [identify the regulations using the title or description given by the State], received by our office on [Date]. These regulations were reviewed by comparison to the equivalent Nuclear Regulatory Commission (NRC) rules in 10 CFR Parts [List the appropriate 10 CFR Parts] and the requirements of the [number submitted] amendments identified in the enclosed State Regulation Status (SRS) Data Sheet. We discussed our review of the regulations with [name of State person contacted] on [Date].

As a result of our review, we have no comments. Please note that we have limited our review to regulations required for compatibility and/or health and safety. The SRS Data Sheet summarizes our knowledge of the status of other [State] regulations and legally binding requirements, as indicated. Please let us know if you note any inaccuracies, or have any comments on the information contained in the SRS Data Sheet. This letter, including the SRS Data Sheet, is posted on the FSME website: <http://nrc-stp.ornl.gov/rulemaking.html>.
