

**SAMPLE COMMENT LETTER FOR FINAL STATE REGULATIONS  
WITH NO COMMENTS**

[Name, Title]  
[Address]

Dear [Name]:

We have reviewed the final revisions to the [State Name] regulations [identify the regulations using the title or description given by the State], received by our office on [Date]. These regulations were reviewed by comparison to the equivalent Nuclear Regulatory Commission (NRC) rules in 10 CFR Parts [List the appropriate 10 CFR Parts] and the requirements of the [number submitted] amendments identified in the enclosed State Regulation Status (SRS) Data Sheet. We discussed our review of the regulations with [name of State person contacted] on [Date].

As a result of our review, we have no comments. Please note that we have limited our review to regulations required for compatibility and/or health and safety. We have determined that the regulations, as adopted, meet the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Management Programs (FSME) Procedure SA-200.

The SRS Data Sheet summarizes our knowledge of the status of other [State Name] regulations, as indicated. Please let us know if you note any inaccuracies, or have any comments on the information contained in the SRS Data Sheet. This letter, including the SRS Data Sheet, is posted on the FSME website: <http://nrc-stp.ornl.gov/rulemaking.html>.

If you have any questions regarding the review results, the compatibility and health and safety categories, or any of the NRC regulations used in the review, please contact [name] State Regulation Review Coordinator at [phone number] (email: [id@nrc.gov](mailto:id@nrc.gov)) or [Name of reviewer or other contact] at [phone number] (email: [id@nrc.gov](mailto:id@nrc.gov)).

Sincerely,

[Name], Deputy Director  
Division of Materials Safety and State Agreements  
Office of Federal and State Materials and  
Environmental Management Programs
